January 22 - February 2, 2022

Kick Africa off your bucket list with host Angela Davis and Minnesota Public Radio and prepare for the experience of a lifetime to a destination unlike any other. This young, diverse nation is a mix of ethnic groups from Africa and around the globe - all who have settled here and proudly call South Africa home. You'll be meeting community leaders, teachers, and local guides who will help bring to light the true South Africa and its amazing diversity.

Along the way, you'll enjoy the stunning beauty of Cape Town, a breathtaking cable car ride to the top of Table Mountain and the biodiversity and landscape of the Cape of Good Hope. A special visit to Mandela's prison on Robben Island and a musical event featuring the music of South Africa have been reserved for you. In addition you'll discover the culturally rich town of SOWETO and discover the turbulent and fascinating history of this ancient land. Your journey culminates at a first-class safari lodge where you'll ride in an open jeep into the African bush to view lions, giraffes, rhinos, elephants and more. A post-tour adventure to Botswana and Victoria Falls is also available. Join friends of Minnesota Public Radio and escape the cold winter days for sunny South Africa! Don't miss out! Space is limited.

YOUR ADVENTURE BEGINS!

Day 1, January 21, 2022: Group Flight Departs for Sunny South Africa

Optional group flight departs Minneapolis - St. Paul on January 21 for Johannesburg, South Africa.

Day 2, January 22: Arrive in Johannesburg

On arrival at Johannesburg's airport, collect your luggage and clear Customs and Immigration. You will be met and transferred to your hotel. *Sleep in Sandton at the Michelangelo Hotel*

Day 3, January 23: Discovering SOWETO

After breakfast, enjoy a private tour of Soweto (SOuth WEstern TOWnship), the largest black residential area in South Africa. In many ways, the story of Soweto is the story of South Africa; this is where the seeds of South African freedom took root. Our tour includes all the major points of interest, such as the Chris Hani Baragwanath Hospital, Baragwanath taxi rank, Freedom Square, Hector Pietersen Memorial and Nelson Mandela's former home. This sprawling township was the scene of the tragic riots of 1976. Despite crowded, chaotic conditions, there is a tangible sense of community in these neighborhoods which the ordered, walled suburbs lack. A traditional lunch will be served. Return to your hotel in the late afternoon. *Sleep at the Michelangelo Hotel, Sandton (B, L)*

Day 4, January 24: Fly South to Cape Town & Kirstenbosch Botanical Gardens

After breakfast, we fly south to beautiful Cape Town. Garden lovers won't want to miss this afternoon's excursion to Africa's finest botanical garden, Kirstenbosch. After, enjoy an orientation and walking tour of the historic city center and wharf. Enjoy dinner this evening together on the wharf. *Sleep in Cape Town (B, D)*

Day 5, January 25: Robben Island

From your hotel it's a short walk to the jetty at the Victoria & Alfred Waterfront where we will board the ferry for notorious Robben Island. For nearly 400 years, Robben Island, 12 kilometers from Cape Town, was a place of banishment, exile, isolation and imprisonment. It was here that rulers sent those they regarded as political troublemakers, social outcasts and the unwanted of society.

During the apartheid years, Robben Island became internationally known for its institutional brutality. The duty of those who ran the Island and its prison was to isolate opponents of apartheid and to crush their morale. Some freedom fighters spent more than a quarter of a century in prison for their beliefs. Those imprisoned on the Island succeeded on a psychological and political level in turning a prison 'hell-hole' into a symbol of freedom and personal liberation. Robben Island came to symbolize, not only for South Africa and the African continent, but also for the entire world, the triumph of the human spirit over enormous hardship and adversity. Today, you will be escorted around the island by an ex-political prisoner.

Return to the Cape waterfront and enjoy an independent lunch on the wharf. Dinner included tonight on the wharf. Enjoy a free afternoon in Cape Town. *Sleep in Cape Town at the Commodore Hotel (B, D)*

Day 6, January 26: An Excursion to the Cape of Good Hope

We'll drive past the pristine beaches of Camps Bay, Clifton and Llandudno - currently the hottest real estate in the world - to Hout Bay, a functioning harbor and heart of the local crayfish industry. From the harbor of Hout Bay to the rocky coastline and Chapman's Peak, there are magnificent views of the sandy bays below.

After a stop for lunch, it's on to the Cape of Good Hope Nature Reserve, where we have a funicular ride to the scenic viewing point of where the Indian and Atlantic Oceans' currents meet. The spectacular sea and mountain views are reason enough to make the 41 mile trip from Cape Town. Amid the rocky landscape - home to mountain zebra, eland and ostriches - blooms magnificent Cape flora.

Continuing along the coastline we arrive at beautiful Boulders Beach where you can sit among a colony of penguins. Return to your hotel in the late afternoon and enjoy an evening dinner together. *Sleep in Cape Town at the Commodore Hotel (B, D)*

Day 7, January 27: Stellenbosch Wine Country

Our day begins with a visit to the historic Vergelegen Estate, established by Governor Willem Adriaan van der Stel in the beginning of the 18th century. Beautifully restored, the estate consists of a well-preserved Dutch manor house, outbuildings with a famous octagonal garden, a rose garden, a white garden and a wonderful herb garden.

Vergelegen has been a gardener's paradise from the time the land was first farmed by Governor Willem Adriaan van der Stel in 1700. Willem Adriaan was also a botanist, forester and a horticulturist and wrote the *The African Gardeners' and Agriculturists' Calendar*. Much of which he wrote centuries ago is still relevant to this day. Evidence of his interests is still visible at Vergelegen: the five camphor trees he imported from the East (declared historical monuments) gracing the front of the Homestead, the oldest oak tree in South Africa and an ancient mulberry tree. Van der Stel recognized the terroir as suitable for vines and Vergelegen wines are now universally accepted as outstanding.

To top off our visit we'll enjoy a wine tasting at the estate and then proceed to the historic Oude Werf Hotel conveniently situated in the center of colonial Stellenbosch. Tonight a multi-course dinner is included. *Sleep in Stellenbosch at the Oude Werf Hotel (B, D)*

Day 8, January 28: The Splendid Cape Winelands

Stellenbosch, known as the "village of the oaks", is the second oldest town in South Africa and is today a vibrant university town. Admire the charm and harmony of Cape Dutch, British and Edwardian architecture as you walk through the shady oak avenues bounded by the water furrows of the Mill Stream. On our morning walk we'll visit the Village Museum, which comprises four houses, each depicting a different period in the early history of the Cape. After a bit of time for shopping and a visit to a local café we set off to explore the vineyards surrounding Stellenbosch. Lunch and two tastings at two separate vineyards will be included this afternoon. *Sleep in Stellenbosch at the Oude Werf Hotel (B, L)*

Day 9, January 29: Fly North to Your Safari Lodge

This morning we say goodbye to our Cape guide and board a flight north for Johannesburg. On arrival at Johannesburg Airport we will be met by an Earthbound Expeditions guide and transferred to your 4 star lodge in the Pilanesberg National Park. A traditional lunch will be served in Soweto and dinner will be upon arrival at the lodge.

Sleep in Pilanesberg National Park at Bakabung Bush Lodge (B, L, D)

ABOUT BAKABUNG BUSH LODGE

Discover South Africa with Minnesota Public Radio

Days 10 and 11, January 30 and 31 - Africa's Big 5

Not even two shots of espresso will wake you up like a 6:00am game drive into the African Bush! Accompanied by a park ranger, you'll travel in an open 4X4 jeep in pursuit of lions, giraffes, hippos, rhinos and more. Upon your return to the lodge each day enjoy a delicious breakfast. Four game drives, two per day, are included.

Grab a good book this afternoon and lay by the pool or enjoy a siesta. Around 4:00pm set off on another three-hour game drive in search of more wildlife. Following the evening safari, you will enjoy a fabulous outdoor dinner on the terrace overlooking the park. *Sleep in Pilanesberg National Park at Bakubung Bush Lodge (B, D)*

About Pilanesberg National Park

The Pilanesberg National Park is malaria-free and borders on the entertainment complex of Sun City. It is almost perfectly circular because it comprises the area of a 1200 million year old volcano crater with a small lake in the center. The park exists within the transition zone between the dry Kalahari and wetter Lowveld vegetation, commonly referred to as "Bushveld". Unlike any other large park, unique overlaps of mammals, birds and vegetation occur because of this transition zone. Virtually all the animal species of southern Africa exist here, including healthy populations of lion, black and white rhino, elephant, buffalo and leopard - Africa's "Big Five." Bird watching is excellent with over 300 species recorded. The park offers a number of wonderful picnic spots, numerous hiding spots for game watching, huge walk-in aviaries, safe hiking trails, safari drives at night and flights over the park in a hot-air balloon.

This immense curtain of water is broken up by small islands which stand on the lip of the falls, one of which is called Livingstone Island. This is where the explorer, David Livingstone, first viewed the falls. These islands effectively break the falls into smaller falls, which are known as (from the Zambian side to Zimbabwe side) the Eastern Cataract, The Rainbow Falls, the Horseshoe Falls and the Main Falls.

"Rainforests" on either side of the river are sustained entirely by the spray of the falls. There is a paved path which leads onto the Knife Edge Bridge for a spectacular view up the main gorge and the Eastern Cataract, and numerous other paths which give different views of the falls and the bridge.

Late in the afternoon, take a Sundowner Cruise along the mighty Zambezi River above the falls. Enjoy a drink while cruising slowly on the river, viewing the wildlife from a unique vantage point.
